PROGRAM

A message from our 2022 NAR President Leslie Rouda Smith

As members of the National Association of REALTORS®, we are unified by the REALTOR® brand and our iconic trademark R. It's who we are – and it's important for consumers to understand that distinction. NAR has an award-winning national advertising campaign to differentiate and elevate the REALTOR® brand with consumers. But, what are WE saying to clients to engage in that conversation and articulate our value? Consumers should also learn that value directly from REALTORS®, and in a consistent way.

As a result, the National Association of REALTORS® developed language and supporting assets at [TheDifference.realtor](https://www.thedifference.realtor) to help you, and every NAR member, succinctly articulate the REALTOR® difference. Please leverage these tools with your current and future clients – share it on your website, on social, in your profile and bio, at the bottom of emails and more.

Establish and reinforce your value and distinction as a REALTOR® in every email you send.

Distinguish yourself by sharing the value of the REALTOR® brand, which unites us all, so consumers understand the REALTOR® difference.
