PLEASE TAKE A MOMENT TO COMPLETE THIS VERY IMPORTANT FEATURE.

If you do not choose a phone number or email address, your listings that display on other office's websites **WILL NOT** have any contact information.

Attention Managing Brokers!
Now You Can select YOUR email or phone number to display on IDX listings!

Effective September 1st, NAR's Broker Attribution Policy requires the display of the Listing Office Name and the email or phone number provided by the MLS Participant to display on IDX listings. IRMLS also requires the name of Listing Agent. In order to comply with this policy, Black Knight recently updated Paragon to allow Managing Brokers to select a phone number or email for display on their IDX listings. However, in order for a specific phone number or email to display, the Managing Broker must take **ACTION**.

Black Knight is not allowed to select a specific contact on behalf of the Broker so the system is set to "No Value selected". Managing Brokers must log into Paragon and follow the directions below to select their contact preferences for IDX display.

Log into Paragon > select Preferences > System Preferences > IDX/Vow Contact Info. A dropdown has been added labeled "Attribution Contact" that includes the following options:

- No value selected
- Agent Preferred Phone
- Agent Email
- Office Broker Preferred Phone
- Office Phone #1
- Office Phone #2
- Office Email

If a Managing Broker is assigned to multiple offices, each office will appear with a separate dropdown so the Managing Broker can select a specific contact for each office.

The screenshot shows the Paragon system interface. On the left is a navigation menu with a tree view. The "System Preferences" item is highlighted with a green box and a green arrow points to it. Below it, the "IDX / VOW Contact Info" item is also highlighted with a green box and a green arrow points to it. On the right is the "IDX / VOW CONTACT INFO" form. At the top of the form is a "Save" button. Below the button is a text area with the instruction: "As a broker, select the appropriate email or phone number to display as the Attribution Contact on your office's listings in IDX and VOW data feeds." Below this text is a dropdown menu labeled "Attribution Contact:". The dropdown menu is open, showing a list of options: "No Value Selected", "Agent Preferred Phone", "Agent Email", "Office Broker Preferred Phone - Offc", "Office Phone #1 - Office:", "Office Phone #2 - Office 2:", and "Office Email -". A green arrow points to the dropdown menu.

Be entered for a gift card and eat a free lunch! Come, tour, eat and rush back to work or come, tour, eat and bring your chair and drink and relax on the front lawn while watching the lake! Support your local co-worker [?] and come see if this home fits any of your clients!

The License Renewal Window is Open!

Read carefully (and complete your CE) before licking that stamp or hitting send:

Last Thursday, all real estate licensees received official notification from the Professional Licensing Agency that renewal applications for another three-year cycle can be submitted by mail or online by June 30th, 2023.

Online renewal is available at www.mylicense.in.gov (processing fees may apply); the standard renewal fee is \$60 (and there's a \$50 late fee for submissions after 11:59PM on the 30th).

A few tips and reminders on the renewal process and Continuing Education requirements:

- If you didn't get the e-mail notice, check your spam folder first and make sure PLA has an updated e-mail address (account updates can be made online [here](#)).
- June 30th is also the CE deadline for Indiana's annual twelve-hour real estate CE requirement (which begins for all brokers two years after they initially earn their real estate license).
- The deadlines are the same but the order matters: All three years of CE for the renewal cycle (36 hours) **must be completed before applying for renewal.**
- The final question on the license application reads, "Have you completed the required continuing education to renew?" – not completing CE or

applying for renewal before finishing CE hours risks a fine, license suspension or other disciplinary action from the PLA.

- Remember that IAR provides twelve hours of CE each year as a member benefit through our Real Estate Certification Program (RECP) online and on-demand at [RECP.org](https://www.recp.org).
- If brokers missed CE hours from previous years in the cycle, they should work to catch up on total hours to minimize any potential sanction from a PLA audit; RECP courses from previous years can be accessed for a nominal reactivation fee.
- **And if you need help, we're here – call the RECP helpline at 800-742-4067 or drop up a line at info@recp.org.**

Speaking of help: The PLA notification didn't address issues unique to new brokers (less than two years in the business) – **here's some clarification.**

- There are no CE hours required for the first two years after earning a license, to focus on completing the 30-hour post-licensing course requirement during that time.
- Everyone must renew their license, but brokers heading into their first renewal may not have any CE required (or may only need to complete the current 12-hour requirement).
- New brokers should answer "YES" to the final question ("Have you completed the required continuing education to renew?") if they are still in the two-year period for completing the Post Licensing course before annual CE requirements begin.

No-Cost Broker Continuing Education

An Indiana Association of REALTORS® Member Benefit

Courses available July 2022 – June 2023; Curriculum developed by Real Estate Certification Program

Don't Be an April Fool: Finish your CE before license renewal season

The renewal window for Indiana real estate licenses opens in April (90 days before the June 30th deadline) and it's natural to want to get the jump on the application process.

But don't start thinking about the Sweet Sixteen before making it out of the second round – **brokers must complete all required Continuing Education for the three-year licensing cycle – 36 hours of CE total – before submitting their license renewal application.**

Don't press your luck when it comes to your license status. Brokers who are audited and found to have filed for renewal without wrapping up their CE (including the current 12 hours also due by June 30th) risk a fine and/or license suspension by the Professional Licensing Agency.

This year's Final Four tips off on Saturday, April 1st, so think of it this way – you have the rest of college basketball season to get the jump on any outstanding CE before you need to even start thinking about your license (and again, you have another three months to actually wrap up your requirements and submit your renewal by June 30th).

Don't delay: Brokers are required to complete all CE before license renewal – good intentions don't count. Submitting your renewal before finishing your CE hours risks a fine or other disciplinary action.

Here's a quick checklist for winning the renewal season:

- **Don't start the renewal process until you get the official green light:** *Renewals can't be filed until 90 days before the June 30th deadline, and PLA won't accept applications until the 'renewal window' officially opens. (In the meantime, make sure PLA has an active and up-to-date e-mail so you don't miss updates.)*
- **Complete all required Continuing Education before submitting your** *Yeah, we're going to keep repeating this point.*

- **Remember – REALTORS® have access to member-benefit CE (online and on-demand) through RECP:** IAR offers member-benefit CE through our Real Estate Certification Program (RECP) at RECP.org.
- *Access high-quality content from industry experts that meets CE and other professional requirements (like NAR's Code of Ethics course), delivered online and on-demand for maximum flexibility and convenience. Best of all – it's already included in your membership.*
- **RECP also offers a download guarantee to confirm your CE completion:** You can also prepare for license renewal by gathering documentation for your completed courses – if you use RECP, our team guarantees easy download of your course certificates! (And dedicated support at our help desk - 1-800-742-4067 – or info@recp.org.)
- **You can play catch up:** CE must be completed on schedule, so brokers who missed hours in the 2020-2021 or 2021-2022 cycles are technically out of compliance. But brokers who complete the total 36 hours – even if some are late and pushed into the wrong year – often only face a fine and not a license suspension. (Previous courses can be accessed through RECP for a nominal fee.)
- **If it's your first license renewal, read this:** Your annual CE requirement doesn't kick in for two years (because you should be focused on completing your 30-hour post-licensing course). So double-check the issue date of your license – you likely don't have CE to complete before the June 30th deadline, or you may only need to complete the current twelve hours.

More questions? E-mail our team at info@RECP.org or give us a call at 1-800-742-4067.
